SHIPPING AND HANDLING: All program prices quoted above include priority mail shipping and handling charges. Please add \$25.00 for standard overnight shipping service within the continental U.S.; other destinations by special arrangement only.

HARDWARE LOCKS: All licenses require a hardware lock. There is a \$30 deposit required on each hardware lock. All programs may be on a single device, or each program can be on a separate device, or any desired combinations. This deposit is fully refundable upon return of the hardware lock.

UPGRADES: Rental customers receive the latest versions throughout the rental period as they are released. Owners of pre-paid licenses for the previous version of a program may upgrade for 60% of the full prepaid license price.

MULTIPLE COPY DISCOUNTS: We are no longer offering any volume discounts. We desire customers to utilize our rental program and it is very competitively priced. For those customers wishing to purchase prepaid licenses we will continue to make them available however there will be no volume discounts.

SPECIAL CONSIDERATIONS: If you currently own prepaid licenses and wish to convert to our rental program, we will evaluate your licenses based on time in use and actual purchase price to determine a credit which will be applied to your rentals should you opt to relinquish your prepaid licenses.
